

2020 Camden Daffodil Festival Vendor Application

Dear Craft Vendors,

Plans are underway for the 2020 Daffodil Festival. Mark your calendars for March 13-14, 2020. We want to make the weekend a wonderful experience for everyone – where great vendors meet great people!

- ◆ Always read the application completely, even if you have attended in past years. We want to make changes as necessary to make the festival the best it can be. Read it carefully, fill it out completely, and turn in all requested information prior to our deadline.
- ◆ Our goal is to offer a great variety of goods and services for our vendors. We also include a limited number of non-profit and information booths. If you are applying for a non-profit booth, there is a specific application for that. If you are applying for an information booth, use this form, but please note that you are an “information only” booth.
- ◆ Look for information on important dates
 - Spaces will be assigned after our February 1 deadline.
 - Remaining spaces will be filled on a first come, first served basis.
- ◆ Be sure to visit our website – www.camdendaffodilfestival.com – or our Facebook page for frequent updates leading up to the festival.

We look forward to you participating and will do everything possible to make your stay pleasant and profitable. If we can be of further help to you, our contact information is listed below. We look forward to working with you.

Camden Daffodil Festival Vendor Coordinator

2020 Camden Daffodil Festival Vendor Application

The Camden Daffodil Festival celebrates our 27th anniversary in 2020. It is held on the second Friday and Saturday of each March (March 13-14, 2020). Sale hours on Friday are 9 a.m. – 6 p.m. and Saturday from 9 a.m. – 5 p.m. Vendor booths are to be open and staffed during the entire Festival.

There are approximately 160 spaces available for food and craft vendors. Spaces will be assigned based on applications received on or before February 1, 2020. At that time, we will place approved vendors in their locations – working from Daffodil Junction – the main downtown square. We cannot guarantee any site preference, although we will make every effort to honor vendor requests for locations.

Please enclose two current photographs representative of the work to be sold and a check or money order with the completed application form. Applications returned without photographs will not be considered. This applies equally to crafters who have exhibited at the Festival before.

Exhibitors may display and sell only the items listed in your application and approved by the vendor committee. You may not transfer, share, or add items to your exhibit space without the approval of the Daffodil Festival.

All applications will be dated upon their receipt.

If your application is accepted, then you will receive a letter from the Festival. Otherwise, your application and fee will be returned.

Booth spaces may not be sold or transferred.

Booth spaces are 12' x 12'. Cost is \$75 per space. There is an additional \$10 charge for electricity. Once the application process is complete, you may not add electrical service.

All vendors are responsible for keeping their area clean, including cleanup and trash removal at the end of the Festival.

After initial unloading, exhibitors must park their vehicles outside the sale perimeter. All vehicles must be outside the sale perimeter before 8:30 a.m. Friday and will not be allowed to re-enter until the close of the Festival at 5 p.m. on Saturday.

A professional standard of conduct is expected at all times. This is a family event.

Failure to abide by any of the rules governing this Festival will prevent the vendors from being accepted into next year's Festival.

The event sponsor contracts with independent food vendors to provide the concession service. Therefore, craft vendors are not allowed to sell concessions. Requests for pre-packaged food items will be reviewed on an individual basis. If you cook and sell food, contact Debbie Strickland for a food vendor application (food@camdendaffodilfestival.com).

The Camden Daffodil Festival is an outdoor event, and no alternate date or site is planned. Exhibitors should, therefore, come prepared for the weather.

Be sure to visit our website – www.camdendaffodilfestival.com – or our Facebook page for frequent updates leading up to the Festival.
